

# WATSON FAMILY WINES

## MARGARET RIVER

### 2022 Rosé

Each year we try something new with our rosé to explore the style.

In 2022 our Rosé was made with malbec skins, giving the wine a deeper pink hue.

You'll find aromas of brambly raspberry and cherry on the nose.

The palate has a bright but creamy texture, with crunchy berry fruits featuring, and lovely weight on the finish.

Match this wine with a plate of stracciatella, drizzled with EVOO, flaky sea salt and ground pepper with a bowl of sourdough bread.
